Beautifully crafted by Hendrickson Construction, this exceptional new build offers nearly 4,500 sq ft of main-level living on 5 private acres. This home pairs an impressive scale with custom craftsmanship throughout. The main level features vaulted ceilings in the great room with gas fireplace flanked by custom cabinetry, and seamless access to a covered outdoor living area with overhead heaters. A dedicated office sits just off the entry. The main-level primary suite is a true retreat with a large soaking tub, walk-in tile shower, private sauna, dual vanities, and a spacious walk-in closet with additional washer/dryer hookups. At the heart of the home, the kitchen showcases quartz counter-tops, custom soft-close dovetail cabinetry, a 48-inch gas range, double ovens and under cabinet lighting. A large walk-in butler's pantry/prep kitchen with its own sink adds exceptional function. The main floor offers a secondary guest suite with 3/4 bath. Upstairs, two additional bedrooms each feature their own en-suite, along with a generous bonus room. Enjoy the over-sized 4-car garage with 10-foot ceilings. This Homesite is designed with a 6-bedroom septic system to accommodate the potential for a future DADU. A rare opportunity offering space, quality construction, and flexibility for the future.
